Fun Fact about yourself

Tell us about yourself in 2-3 sentences

What attracted you to WGR and how has it helped you personally & professionally?

Select three (3) of the following questions to answer in 4 sentences or less:

1. What was your original career plan and how did you end up in government relations?
2. What advice do you have for young women entering the field?
3. Do you have a mentor and how did you connect?
4. What is your favorite part of your day or job?
5. What has been your most rewarding accomplishment/what are you most proud of?
6. What is the biggest challenge you faced in your career and how did you prevail?
7. What inspires you?
8. What is your long-term career goal?
9. What challenges do you face as a woman in government affairs? Give an example of a situation you've encountered and how you responded.
10. How has the industry changed for women?
11. How are you raising your voice?
12. What skills do you think are most important in government affairs and why?
13. What originally brought you to Washington?
